

# THINGS TO DO

A weekly newsletter from SEND Supported

ISSUE 1

23rd March 2020

As part of today's On-line Offer launch, here is a first weekly newsletter signposting to activities and websites to use with your pupils, whether at school or home. This includes a page for families who are caring for their children, and their learning, while at home.

Please forward this newsletter to any family who may find it helpful and share freely. If you know anyone who would like to receive future copies of **THINGS TO DO** they can sign up here for updates: <https://sendsupported.com/>

Take care, Leo and Lucy

**EDITOR - Joanna Burden, with design help from Amelie Sartain.**

Inside, you will find ideas and activities arranged in themes:

- \* Emotional wellbeing
- \* Learning
- \* Autism
- \* Family
- \* Children at home

## **EMOTIONAL WELLBEING - Kate Griffiths**

At a time when there is a lot of advice available relating to wellbeing it's important to ensure the advice is reliable, properly researched and evidence based- so it's going to work! The best starting point is to go back to the 5 ways to Wellbeing which was researched & developed by The New Economics Foundation.

Below are the links to both MIND and the NHS versions:

<https://www.mind.org.uk/workplace/mental-health-at-work/taking-care-of-yourself/five-ways-to-wellbeing/>

<https://www.nhs.uk/conditions/stress-anxiety-depression/improve-mental-wellbeing/>

Although some of the ideas are not possible at the moment, they are very easy to adapt and provide some great ideas to support both your wellbeing and the wellbeing of the children and families that you work with.

Joe Wicks has offered to become "the nation's PE teacher" following the closure of schools in the UK amid the coronavirus pandemic. He will be running virtual PE classes every weekday to ensure children are still keeping fit from home. <https://www.independent.co.uk/life-style/coronavirus-joe-wicks-live-pe-lessons-watch-youtube-school-closures-a9413081.html>
